

SEPTEMBER 2026

YESS NEWSLETTER

WHAT'S GOOD

August ended with some great trips! The young after schoolers went to Coo & Creek where they got to pet chicks, goats, & other small animals while learning about farm life.

The older after schoolers dressed up & dined at Kabutos, went bowling, & made pizza at CeCe's. Class "Spa" day gave opps to serve & be served.. We ended the summer with a foam session, glow party, and ice cream social. Each class had a blast! School is in full swing and we're off to a great start!! We welcome our new friends & hope each student has a great school year!

BIRTHDAYS

Aviance -9/6
Nate -9/6
Javona-9/9

LOOKING FORWARD

Happy September! Our academic year has begun. We will continue to use Creative Curriculum for planning enriching activities. We will be using the Desired Results assessment tool to track children's develop (Infant-3s) this year. Teachers have begun assessing skills. Your input is welcome. Outcomes of your child's assessment will be shared during parent/teacher conferences in late fall. We look forward to partnering with you in your child's early education. This month, each class will celebrate Hispanic Heritage month with art, music, literacy, and food. We celebrate all grandparents! We honor & their unconditional love, vital role, wisdom, & guidance they share with younger generations. Thank you Grands!
