WHAT'S GOOD

School is off to a great start! We welcomed back returning friends and greeted many new faces to the YESS family.

Infants enjoyed scribbling, exploring weather changes, and welcoming new classmates while saying goodbye to others.

Tots welcomed new teacher Jennifer and had fun making and rolling beach balls,

Twos focused on school routines while practicing counting, sorting blocks, and creating art.

Threes began a unit on trees and enjoyed a variety of tree-themed activities.

NC PreK, Rm 6, 8, & 9 are nature explores! They enjoyed a hayride at Ingram Farms & planted their own plant. They studied insects & weather.

Highlights were designing nature art & meteorology displays as well as journaling plant growth.

LOOKING FORWARD

Happy September! Our academic year has begun.

We will continue to use Creative Curriculum for planning enriching activities. We will be using the Desired Results assessment tool to track child develop (Infant-3s) this year. Teachers have begun assessing skills. Your input is welcome. Outcomes of your child's assessment will be shared during parent/teacher conferences in late fall. We look forward to partnering with you in your child's early education.

We welcome our newest team members: Mrs. Crystal (OSA), Aaliyah Dixon (3s), Jennifer Parrish (Tots), and Diana Griffith (Food Specialist). We celebrate all grandparents! We honor & their unconditional love, vital role, wisdom, & guidance they share with younger generations. Thank you Grands!

REMINDERS

- Inform teachers of your child's night, morning meals, or unusual behaviors.
- Keep Goodbyes short & sweet. Build trust & reduce anxiety, avoid sneaking out.

Congratulations!

Thank you Ms. Glass for 20 years of service and for your dedication in shaping young minds!
