WHAT'S GOOD

School is in full swing and we're off to a great start!! We welcome our friends returning from summer and the bright new faces joining the YESS family.

Infants & Tots enjoyed the color combinations they made with smash painting in Ziploc bags.

Two's enjoyed toy washing day.

Three's talked about vacations and their favorite water places: the beach, pool, & aquarium.

Our NC PreK open house was a success. School Age ended their Tropical Island summer with a Luau. They enjoyed decorating, leis, & Hawaiian dances.

DATES & EVENTS

LOOKING FORWARD

Happy September! Our academic year has begun. We will continue to use Creative Curriculum for planning enriching activities.

We will be using the Desired Results assessment tool to track children's development (Infant-3s) this year. Teachers have begun assessing skills. Your input is welcome. Outcomes of your child's assessment will be shared during parent/teacher conferences in late fall. We look forward to partnering with you in your child's early education.

This month, each class will celebrate Hispanic Heritage month with art, music, literacy, and food.

We invite all Grandparents and Grand-friends to join us for a special snack at 3 pm on Friday, Sept 11th.

BIRTHDAYS
