What's Good

Fall is upon us at YESS Hilltop. Our academic year is off to a good start. Our younger children are learning & practicing so many skills! The School-agers are settling into their new routines.

Looking Forward

The classrooms are buzzing with excitement for the upcoming seasonal activities! Please watch for the upcoming Fall celebration announcements. We will host a spaghetti luncheon for families in November; look for that date as well.

Family Tips

Asking children about their day helps you understand their emotional well-being and supports their growth. "How was your day?" often leads to a short response of "good".

Extend the conversation with these questions:

- What was the best part of your day?
- Who did you play with today?
- What's something new you learned today?
- What is a mistake you learned from today?
